

26 February, 2026 | Mumbai

CHEMCONNECT is India’s definitive platform for the end-to-end chemical industry supply chain sectors. The conference unites supply chain leaders from across inbound and outbound operations, encompassing supply and demand planning, sourcing and contract manufacturing, logistics solutions specialists, infrastructure providers, and regulatory experts to address the challenges and opportunities in a rapidly transforming industry.

AGENDA

07:30 AM - 08:30 AM: Registration and Networking over Tea/Coffee  
08:30 AM - 08:45 AM: Welcome, Opening Address and Inauguration with Lamp Lighting

Panel 1	08:45 AM - 10:00 AM : Resilient by Design – Building Shock-Proof Chemical Supply Chains
	<ul style="list-style-type: none"><li>Multi-tier resilience strategies for global disruptions</li><li>Future-ready sourcing, distribution, and inventory frameworks</li><li>Realigning supplier ecosystems for supply security</li><li>Contingency planning with dual sourcing and digital twins</li></ul>

10:00 AM - 10:10 AM: PRESENTATION 1  
10:10 AM - 10:40 AM: Networking over Tea and Snacks

Panel 2	10:40 AM - 11:30 AM : Creating Agile and Intelligently Aligned Chemical Supply Chains
	<ul style="list-style-type: none"><li>Agility in response to market volatility</li><li>Alignment across stakeholders</li><li>Technology-enabled flexibility</li><li>Balancing efficiency with resilience</li></ul>

11:30 AM – 11:40 AM: PRESENTATION 2

Panel 3	11:40 AM - 12:30 PM : Digital Command – Elevating Visibility, Accountability and Coordination
	<ul style="list-style-type: none"><li>Traceability and transparency across global networks</li><li>Real-time decision-making with digital command centers</li><li>IoT, AI, and predictive analytics for proactive control</li><li>Building integrated “control tower” ecosystems</li></ul>

12:30 PM - 01:30 PM: Networking Lunch

Panel 4	01:30 PM - 02:30 PM : Multimodalism – Cohesion between Road, Rail, Waterways for Bulk Chemicals
	<ul style="list-style-type: none"><li>Reducing costs and emissions with multimodal corridors</li><li>Infrastructure readiness of rail terminals and inland ports</li><li>Seamless handover protocols across modes</li><li>Policy incentives for shifting bulk cargo to greener routes</li><li>ISO tanks as enablers of sustainable bulk trade</li></ul>

Panel 5	02:30 PM - 03:20 PM : Crisis-Proofing Hazardous Logistics, Storage and Handling
	<ul style="list-style-type: none"><li>Building end-to-end emergency response frameworks</li><li>Training and culture for zero-incident operations</li><li>Global best practices in hazardous crisis management</li><li>Unlocking Scale &amp; Safety with ISO Tanks</li><li>Safety and maintenance protocols across regions</li></ul>

03:20 PM - 03:50 PM: Networking over Tea and Snacks

Panel 6	03:50 PM - 04:40 PM : Connected Supply Chains – Integrating Production, Procurement & Distribution
	<ul style="list-style-type: none"><li>Seamless planning from plant to port</li><li>Real-time demand sensing and scenario planning</li><li>Internal alignment for volatility response</li><li>Collaborative platforms for synchronised execution</li><li>Standardisation and global acceptance of ISO tanks</li></ul>

04:40 PM – 04:50 PM: Sponsor Partners Felicitation  
04:50 PM – 05:30 PM: CHEMCONNECT Awards 2026  
05:30 PM – 05:35 PM: Vote of Thanks

Note: Maintaining punctuality for each session is essential to maximize the impact and value of the event. Attendees and speakers are encouraged to adhere strictly to the schedule to ensure smooth transitions and a productive conference experience.
